### The Premises:

My place.

### The Lady:

Website description and pictures absolutely current and accurate, although perhaps a bit darker skinned than the photos portray (but that is not a disadvantage). Very pretty, great body, beautiful belly pierce and nearby sexy tatoo. Full breasts (implants, but nicely done), very flat sexy tummy. A bum that was just perfection in its shape and firmness. Smooth skin. And oh yes, a pretty face. Lovely smile. Couldn't ask for more.

### The Story:

Well, having struggled to even get a booking with her (always the mark of a quality girl), I can confirm Erica is everything you read in reviews on the Bubbles website, and more. Her English is decent enough. Didn't waffle too long and we went through to the bedroom. She has got a GREAT body ? was immediately excited. Does she look good in bra and knickers?..

She kissed which is very unusual for a girl from this agency, and that makes a huge difference, and she kissed tenderly. It really did feel like a GFE, except I'd never get a girlfriend that hot. Ran my hands over her lovely body for a while, then she pushed me down for oral (covered). Started in mish and it felt great. No rush. Made me feel like she was enjoying it. Flipped over into doggy ? what a great arse. Exploded inside her and collapsed into a heap on the bed.

We cuddled up afterwards. She was very warm and affectionate. Has the cutest smile. And most amazing eyes. It almost felt like glimpsing a deeper part of her, and that it was glimpsing a deeper part of me. Just made me forget life for a while, and put a smile back on my inside. What more can you ask of a girl in an hour?

Cannot recommend her highly enough.
