The Premises:

It is an ok area in the daytime - uncertain what it is like at night.
Inside it is immaculately decorated, clean and tidy.

The Lady:

5ft 5in, blue eyed blonde 34B and dress size 6 very slim friendly 19 year old.

The Story:

My favourite lady being unavailable, I went for plan B and plans C & D without success. In this situation I was fortunate that I had a note of this establishment and went for it. Despite there being only one young lady available and she being so much younger than my preferred minimum age, my first impressions of Vixens being very favourable, I decided to proceed. I do not normally have a massage but decided I would go with the flow. Equally I am not particularly an aficionado of oral but Clare's enthusiastic (covered) attentions in this direction had the desired result of bringing me to attention; her cowgirl was equally enthusiastic and so into mish and a satisfying climax. There being time over she offered a further massage (!) but I asked for a cuddle and caress and this she gave willingly.

Overall a very enjoyable experience, Clare was an excellent ambassador for Vixens, I am sure that I will find my way there again.
