The Premises:

Discreet entrance in busy street opposite multi story car park. Managed to park right outside the front door. Clean, warm (given the UK weather in June, this was important!)and safe - my first visit here but it seemed a well run establishment

The Lady:

Susie is a lovely Polish girl, young, nice body and very friendly. She knows what she's doing

The Story:

Susie doesn't mind kissing, in fact she gives the impression she likes it, so this all made for a very natural, highly enjoyable experience where one thing led to another very rapidly. Others have given plenty of description already in previous field reports. Suffice to say I'm 60 next month, and any girl who can get me off in 15 min has my vote, I'll definitely be back for more
