### The Premises:

Anodyne 3 star hotel - absolutely safe, but characterless - Dolly was offended by the banality of an ironing board next to the bed, which she covered with a Japanese wrap!

### The Lady:

Dolly's pictures are true to her - The photographs are accurate, but they do not (cannot) convey the bubbling sense of fun in her eyes (and elsewhere).

### The Story:

It used to be claimed that ?Heineken refreshes the parts other beers cannot reach?. I'd say, as a fact, that the DollyMopp excites parts of the man that other ladies cannot reach!

I was welcomed with a kiss, and delightfully seduced all afternoon, with lust interspersed with conversation and more lust. Dolly makes lust fun - She gave every sign of enjoying giving pleasure, and of taking pleasure in the encounter too.

She is no clock watcher - it took me a little while to get unentangled, with a view to avoiding running out of parking time. Next time I am lucky enough to see her, it'll be in London, and I'll go by tube.

Dolly is undoubtedly a luxury, but life without the occasional luxury, like champagne, fine weather, or Dolly would be awfy' dull!
