The Premises:

Second floor flat in a nice apartment block in Marylebone which seems to be popular with working girls lately!

The Lady:

Annie is just like the photos but with shorter hair now like other reviewers have said which goes just past her shoulders. She is a sexy little minx and she looked great greeting me in some red pvc as I requested with the agency beforehand.

The Story:

Had been trying to book Annie for the last two weeks without any success and finally got an appointment with her on Wednesday. I wasn't dissapointed. I don't know how but Annie read my mind and gave me exactly what I wanted just the way I like it. Two rounds, everything on offer and a feeling of pure pleasure. She knows how to switch from the strict domme to the cute girlfriend and left me fully satisfied but still wanting more. She says she will go back to Thailand at the end of the year so I will try to visit her as much as time and money allows before she does! In my opinion she is the best Thai girl i've seen and i'm sure many others would agree with me.
