### The Premises:

As previously described, but has recently been redecorated.

### The Lady:

Tia is in her late 20s, a slim size 8, 34D, and approx. 5'6" tall with brown hair and brown eyes. She has quite a distinctive tattoo on her abdomen.

### The Story:

This was only her second day at Victoria House. Her back massage was very weak, but she gave superb covered oral. We had sex in two positions (missionary and doggy). When I ran out of steam Tia gave me more covered oral mixed with some hand relief until I had recovered enough to continue with another bout of sex. It didn't take long the second time to reach the inevitable conclusion.

Tia is a lovely lady and her attention to service is faultless.
