5mins from station, small room where you could hear people talking in the room above and next door, felt weird.

The Lady:

I'm getting sick of this... guess what, yep thats right, not the f'ing girl from the website, i asked if bruna was free and if she's do an hour for ?200. i got a yes straight away. i should have known then it was bullshit.

The Story:

i got to the apartment only to be greeted by someone who looked nothing like her, looking back now i see it was another woman from the site (Francesca), was not impressed and was stupid enough to go along with it. Anyway, that aside she was rubbish, again bj was covered! what a joke. and it was very rushed as she had another client. i also just wanted to get out of there.
