The Premises:

Nice, friendly discreet place.

The Lady:

Attractive, slim, leggy blonde girl in her early 20?s with a couple of tattoos in interesting places.

The Story:

Decent punt. Started off with me face down on the bed, but there wasn?t much of a massage or anything else for that matter. Turned over after a couple of minutes for some FK and a bit of mutual masturbation.

I went south first and spent a fair while on reverse O - she seemed to enjoy the combination of my tongue and finger. It was then my turn to experience some of Collette?s oral skills. I think she is pretty skilled in this department and took me all the way down to the base of my shaft. I was really quite enjoying this and would have probably liked more, but I was happy to go with the flow when she bagged me up and jumped on board for some cowgirl. We moved through the gears and on to doggie, before I filled the bag in the Mish position while receiving some kissing from Collette.

Like I said, a decent punt with a young, attractive lady. There wasn?t much communication, but hey-ho I wasn?t really there for a chat.
