The Story:

I had never used this agency and so left it to them to name the girl.A bit like dipping into a lucky dip and boy did I get lucky.Sarah was slightly late due to traffic but kept me informed all the time.We met in the bar as I felt she needed a drink after the journey.This girl is so friendly and chatty and so easy to talk to I was entranced by her.In the room she led the way and I was pampered by her.This was a superb GFE experience and more besides.I wont go into detail as this remains between the lady and myself.But trust me you will never be dissapointed.I have only one regret that i didnt book her for longer.But that will be easily rectified for I shall be seeing her again in the near future.Sadly I dont live in the Midlands but she has promised I could book her to visit me in London and I will be saving hard to do that.
