### The Story:

I had never used this agency and so left it to them to name the girl. A bit like dipping into a lucky dip and boy did I get lucky. Sarah was slightly late due to traffic but kept me informed all the time. We met in the bar as I felt she needed a drink after the journey. This girl is so friendly and chatty and so easy to talk to I was entranced by her. In the room she led the way and I was pampered by her. This was a superb GFE experience and more besides. I won't go into detail as this remains between the lady and myself. But trust me you will never be disappointed. I have only one regret that I didn't book her for longer. But that will be easily rectified for I shall be seeing her again in the near future. Sadly I don't live in the Midlands but she has promised I could book her to visit me in London and I will be saving hard to do that.
