The Story:

I have seen Louise before and thought it time i gave her the glowing report she deserves, this was not a pse but very much a gfe, lots of french kissing with her laying on top with her tounge fencing with mine, better than an old guy deserves she likes kissing, then my kisses were between her legs and she has a creamy pussy that likes to be licked. when it was my turn oral was without and lots of good hand and mouth movement, the sex was cowgirl doggy missionary and where possible still kissing while shagging asked for some more owo which was taken care of without complaint. note to management arrived 22.40 and waited 10 mins for room not a problem girl arrives 5 mins later and booked 45 mins. 23.30 knock on door, surely i am not charged from when i arrive .i must add this was not anything to do with louise who was smart funny and sexy throughout and i hope to see again
