The Premises:

private location just on the edleston road above a hairdressers road quite busy but parked outside .dont be put off by entrance clean and welcoming inside.felt at ease as introduced to all three ladies and wow what a choice.

The Lady:

i chose adele who by looks seemed my cup of tea.a busty blonde dead curvy and seemed to have a naughty look about her .she had a lovely tan .

The Story:

my first instincts always seem to be right and a had a wonderful time with adele.this is my first write up on a lady and wish to keep what happened all i can say is what a well turned out lady with a very down o earth nature and nothing was to much trouble for this lady.dont be fooled like i was with her naughty look she is a very sensual lady and gave me a gfe out of this world.
