The Premises:

I visited Anna in Plymouth during may 2009. She lives in an apartment which was clean and tidy. She was really welcoming and soon put me at ease.

The Lady:

5ft 6", Brunette, Size 12

The Story:

My first impression was what a gorgeous young lady. Her hour glass figuer and perfect little bum made me want to strip and hold her in my arms caressing her amazing tits. she looked perfect. Very pleasant and obviously aimed to give excellent value for money with no time watching. She gave me the best oral I have ever had. Her pussy soon hugged my prick into a huge orgasm. She is a must for guys wanting to spend luxury time with a stunning girl.
