Well known location next to a florist shop. There is now a VIP annexe nearby where the rooms are much bigger too. Visible though can walk right in so not so obvious.

Long Blonde Hair. I will go along with the description and add that she is a stunner. Lovely body with curves.

The Story:

She is a delight. Fortunately kissing is in the menu though as a charge item. Well worth it as it adds to the experience big time. Went for full menu including A levels and she helped guide me through the manoveres. She is just great!
