The Premises:

Quiet location at back of car park, near a adult shop called hanky panky on Attercliffe 'sin mile' The owners of Diplomat have gone through a lot of effort to provide a lovely lounge setting. Not sure the women sitting silently watching the punter helps. At other places they come one by one and say a few words and you get some impressions. I choose a slim, blonde girl called Katy, big mistake!

The Lady:

Got this wrong, brunette with blonde highlights or paint on. From Eastern Europe, Balkans area. Slim 5ft 2in, small breasts and a lot of attitude.

The Story:

Ticked off list of what not on the menu like kissing. Not allowed to kiss her below (that was lucky as she smelt of stale sweat - you would have thought with time on hand, might make herself presentable). Limited positions, not doggy side, not side and not responsive. No eye contact, stiff as a board.

I gave up after a while.

Wished i had bought a rubber doll from adult shop and would probably have got more fun from that. Never coming to this establishment again. Its hit and miss, met a lovely lady last time here, this time roll of the dice not good at all.
