Clean, discrete, rear entrance which is always good

The Lady:

stunner, pics dont do her justice, long dark hair and a bit of fluff down below.

The Story:

slow massage to start followed by the customary nosh without (she said not to completion though), extra tenner. couldnt taste her gravy, said she wasnt good down there, WTF, she shouldnt be working then, couldnt even get a sticky finger. So let her carried on with the noshing and splashed her, quick apology, showered and left.
