The Lady:

About 5'7, shoulder length dark hair, a little more weight than you see on her pictures and her website says she is 22, which I think might be stretching the truth a little. Not so big a deception that you feel misled though, particularly when she has such a lovely personality. Nice soft skin, large (but not unmanageable!) breasts and very sexy legs and bottom. She is from Bulgaria and her English isn't perfect, but enough to be understood.

The Story:

Met at the hotel, had a crafty fag out of the window then moved to the bed. Kissing (but not French), followed by some nice slow cunnilingus (very nice tasting), then on to a BJ (covered), followed by cowboy style to completion. All jolly good fun, and excellent value for the price paid.
