The Story:

Well going from other reports this should have been a nice GFE. did the folding stuff then had a shower, Waited 5 minuets for her to return. Never really took off, and she seemed to be just going through the motions. Nice massage, then no BBBJ or anything like that, little closed mouth kissing and only one round. Quick chat back rubbed for 5 mins then asked to shower....

If you were having a off day, say so, there is always tomorrow. I would not return and if you read the other reports and still want to try ask her what mood she is in !!!
