The Story:

Had seen some of the reviews on Lexi and details/pics on Lamaisons website looked good. Never had a bad experience here so all looked good! First words out of Lexi's mouth were 'I was just about to leave when you booked, and had got changed'. Ok not too much of a problem. Then I was hit with the 'I've just finished a 2 hour appointment and my telula is really sore' (her words not mine). Offered me OWO which I sort of felt I had no choice, but no kissing or other contact for that matter and about half way through she jumped because she'd forgot to turn the radiator off and it leaks!! Finished within 15 mins. Never again.
