The Premises:

This was the first time I'd visited the Deluxe Lounge. I'd read good things about a couple of the girls there so I thought I'd give it a try. The address was easy to find, as I'd previously been to another parlour just round the corner. It's a pretty anonymous place, so getting in and out without drawing attention was easy.

The Lady:

Attractive, with a lovely slender body ? she feels she needed to put on weight, but I'd have to disagree with her on that one. I'd say her hair is a little more blonde than the pics on the website suggest (<http://www.deluxe-lounge.co.uk/helen.html>).

The Story:

I'd read good FRs on Helen so I decided to pay her a visit. I made all the arrangements by email, which was pretty straight forward and I always had a response from the DL.

Helen is a lovely girl with a great attitude to her job. She provides a first class service and doesn't seem to have any hang-ups. She genuinely seems to enjoy O both ways and is certainly skilled in that department (OWO). She also kissed throughout the punt, which is must for me.

I thoroughly enjoyed the sex with Helen and ended up spurting all over her small pert breasts.
