10 for reverse oral (worth every penny)

The Lady:

As previous reports still gorgeous, slim early 20s long legs, flat tummy, shaved pussy, pretty pert breasts b/c cup?

The Story:

As previous reports..

Still a great kisser with good tongue action

Still a great deepthroat blow job (covered but OWO & CIM available for extra)

Still sweet tasting pussy juice (hence the name), the view as she sat on my face was a wonder of the world.

The view as she frigged her bald pussy with my cock was amazing.

Still great sex, very good stamina cow girl position (some girls can not manage more than 30 seconds).

Only downside is that she doesn't do prostate massage but who cares!

Make sure you book as she is quite rightly popular!
