The Premises:

above a laundrette on a busy main road, but the entrance is around the back & discreet, where the dustbins are. room was very clean if basic.

The Lady:

louise was a mature voluptuos english lady, with large boobs, medium length black hair an attractive face with a huge cheeky grin. showed me the menu & stated she had no A levels.

The Story:

the front door is secured & i had to be let in (& out) by the maid.
shown straight to the bedroom so can't coment on the rest of the layout. louise dropped the top of her slip to show me her boobs whilst i pulled off her knickers. she wanted me to play with her brests, put i suggested we got on with sex, her blow job was great, but sex in doggy, mish & cowgirl was less succesful. louise suggested it was the tight condom, i think it was more me being too tired. however after a short cuddle & wrist job to relax me, i suggested i gave her a massage. great fun, especially when i was in cowboy with her pinned between my legs while i rubbed baby powder into her buttocks.
