The Premises:

exposed front entrance on very busy main road (couldn't hear anything on the phone while trying to book) the maid let me in to what was a converted shop, now the very lived in & scruffy lounge. the two bedroomns however were very clean if a bit small, with a giant mirror at the head of the bed. introduced to both girls available that day.

The Lady:

mid twenties 5'6" french girl with gorgeous long brunette hair slightly plump with small boobs. spoke good english, dressed in very sexy blue dress & fishnet tights during negotiations.

The Story:

my second venue of the day, started with excellent blow job, sex in doggy & mish were ok, into cowgirl which wasn't too good. another blow job & into cowgirl again which clair seemed to prefer but i didn't. quick wrist job & back massage.

clair is too athletic for my tastes, so i would recommend her for those who like that sort of thing but i will try the other girl available next time.
