The Premises:

Nice house in a residential area,very safe & discrete.Off road parking available,did'nt matter to me as i caught the train & taxi to house.

The Lady:

Early 40's with shoulder length hair,tall & dressed to kill!

The Story:

I have seen Julie several times previously & always find the need to return. Always made welcome & nothing is a chore to her. The time you spend with her is your time & you feel like your the only one that matters for your entire visit.Julies speciality is OWO & CIM which she does swallow as a matter of preference,& its probably the reason i keep going back! You just cannot beat an expert in oral,& i consider myself to be fairly skilled in reverse O,so much of the time was spent in a 69 position!

As well as oral we had sex in several positions & during rest periods had good conversation & a mutual like for the champagne!

Julie is a lady of elegance & class thats gives 100% service & is more than worth the time & effort to see her.I will return no doubt! X
