Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

The Premises:

Dollymopp?s flat is only a few minutes walk from Borough underground station. I phoned her on arrival and she talked me over to her place, so it was quite easy to find. A lot of effort is put into making the boudoir ready for your arrival - all soft lighting and vivid colouring.

The Lady:

Her website photos are very up to date, and in person she does not disappoint. She is very invitingly dressed & made-up, so your blood pressure is raised from the moment you walk in through that front door. All dark hair, pale skin, and very cuddly.

The Story:

This was my second visit, so we had already got to know one another. That made conversation very easy, which was accompanied by wine & chocolates. Then the action followed - with Dollymopp full of energy & enthusiasm as usual. Satisfaction is guaranteed - and I got exactly what I wanted out of the meeting. Needless to say, I will return.
