The Story:

This was a great punt from start too finish,i choose the 30 minute appointment which is usaully ?70 but down too ?60 today.Its a cocktail where you get bit of everything thrown in.Cameron gave me a light massage first this was good,when i turned over she started OWO this was some of the best ive ever had,she basically worshipped my cock for ages,using her tounge hands and mouth too perfection,she maintained eye contact the whole time which really does it for me.We got into a 69 her pussy is shaved and tastes lovely she was already very wet,on with the rubber and sex in a few positions,she was into this nearly as much as me! we were french kissing all the time,the session finished with her wanking me off while i finger fucked her this made her cum.By this time we had both worked up quite a sweat! I cant praise Cameron enough she is very sexy and exotic looking loves too please and is a great girl,a real find and bargain for the services she delivers.Highly recommemded.
