The Premises:

The place where Annabella's used to be before the reorganisation. Adjacent to free car park. Clean, light and pleasantly decorated room fitted out with proper massage table and en-suite shower. Clean towels and the right sort of gentle music playing. All very impressive as I would expect from a top quality provider. A comfortable and relaxing environment in every way. Fairly busy when I was there but organised so smoothly it didn't show at all. I'd made an appointment that morning.

The Lady:

Myleen is an extremely pretty Thai girl. I'd say size 8 and mid-twenties, but I'm guessing. Very sexy in a quiet and understated way. Very friendly and accommodating. Speaks good English and is chatty without over-doing it.

The Story:

This is, of course, a place offering only sensuous massage and tension relief. I was a massage virgin, and I went along with an open mind to find out what it was all about. It's a significant distance for me, but I considered it a worthwhile trip because of their good reputation. Myleen told me she qualified in Thailand, and seemed to me to do a thorough professional job, though I am obviously not an expert. I certainly had a wonderfully relaxing massage and a very happy ending. I found it a pleasant change from a normal punt mainly because I could totally relax. I didn't have to do anything at all. However, with the right girl, this is still an intimate experience, and for me Myleen is definitely the right girl. I will certainly return to see her now I know how it works.
