The Premises:

Safe block of flats in Central MK. Plenty of local parking. Good location no problems with any of the HOD premises.

The Lady:

Blonde lady, not as pretty the good pictures on the web page and certainly older than 25, more like 30ish. Steriotypical eastern Europesn girl who will do anything for money!

The Story:

A little bit cold and uninterested to start with, worried about cold sore on lip - should not be working really it is very contagious!!. No OWO, no kissing and no A levels. After a quick OW moved onto mish which was fine although Elise not fit enough to get her legs over my shoulders! Then tried on side, then her on top. Finished with doggie, which she seemed to like a lot. She is not very tight! A bit of a disappointment. Certainly not premier division like most of the other HOD girls, more like conference league.
