### The Premises:

Studio flat in nice area, perfectly adequate, safe, and clean. Note she announced plans to move within the same building; not sure about her current flat thus.

### The Lady:

Pictures are close to the truth, although she might be nearing the mid twenties. Perfectly balanced figure, not too little, not too much. She has a warm and friendly personality, and speaks English fluently. Good for a conversation and good for a laugh.

### The Story:

I never was as much at ease as with Tiffany, who provided a very relaxed and friendly atmosphere right away. A bit of conversation to get to know each other a little bit, then some touching and kissing (w/ DFK), on to OWO, RO and good old sex. More conversation, more of the intimate stuff. Tiffany refused CIM and I never inquired about A-levels or similar services, but all services provided were provided with enthusiasm and a smile.
Now saving up for return visit.
