The Premises:

The Georgian has been previously described. Magnificent! This time I had "The Green Room". The shower cubicle has a marvellous computerised shower - beware of cold water from the sides!

The Lady:

Firstly I normally ask permission for a F/R. Never managed to get a request in here. However previous F/Rs indicate I should be okay. Cindy - previously described - petite young blonde. Sarah; slim but well proportioned brunette, tanned figure, pierced naval - in her 20s. Possibly has reports under another unknown name.

The Story:

No interactivity between the two girls but there again I didn't ask for any. Cindy seemed rather hesitant about volunteering for a 2-girl (there was, unfortunately, no choice because of bookings) and Sarah took the lead in the proceedings in the room. Very good eye to eye contact with her. As noted previously OWO is on offer as part of the inclusive service. An enjoyable experience but not amongst the best two two-girl massages I've had.
