The Premises:

Convenient location on Gray's Inn Road though lots of passers by and some time waiting at the front door to be let in.

The Lady:

Petite slim medium-dark skinned Indian girl in her early 20s with small firm breasts and firm tummy. Slight acne but still reasonably pretty.

The Story:

A pleasant girl. Clean and very careful about hygiene which is to be commended though may be off-putting for some. I had performance problems as a result of various interruptions, though none were Priyanka's fault. She persevered with intercourse with my semi-flacid member for about 15 minutes before we jointly gave up and I relieved myself by hand. Decent punt. No complaints.

Service Provider's Rebuttal

The establishment writes:

We are not quite sure why you say you were waiting outside the front door for 'quite some time'. We do have an appointments system and always ask our visitors to ring us and let us know when they are coming down so we know when to expect them. We don't answer the door to unexpected visitors or have a walk in service.

When you say 'various interruptions though none were Priyanka's fault' could you please email us and let us know what you mean?

Are you are talking about noises outside the window or external noises that have nothing to do with Indian Palace? We did have builders at the back of our building last week who have finished now, but did not make that much noise.
