The Lady:

Sophie-Anna is exactly like in her photographs - which are blurred for her protection but give a great impression - but even better in real life. A great body fit and toned with all the right equipment top and bottom :)

The Story:

Sophie-Anna is an amazing find. I normally only use one or two trusted agencies because I have found that independents are usually not independent or are not what they advertise. I took a chance with Sophie-Anna because she sounded so nice on the phone and boy am I glad. It was probably one of the best punts for ages. She is great fun, intelligent, great to talk to, very sexy and she prepares like no other girl I have met. I asked for her to pretend to be my neighbours errant daughter and by god she was even down to not letting me touch her boobs shyly then giving in. I wanted and got the full works - all holes - and Sophie-Anna delivered big time. I'm sure she really enjoyed it too or she is one of the best sex actresses going. No silly panting or noises just rampant bonking including a Rabbit double special. Sophie is a babe and a lovely girl to spend time with that I can really recommend. Five stars from me
