### The Premises:

Victoria house is a very pleasant place in Lutterworth, check the website for the exact location. Main road is a bit busy, which does not bother me but might put some people off. Really easy to park. Inside v.h. is pretty classy. Lockers, Showers, a waiting room with tea/coffee and sky tv.

### The Lady:

A gorgeous tall blond with a stunning smile, beautiful eyes and a killer figure. Really an amazing lady, words can't describe enough.

### The Story:

Went into the room and was greeted by Louisa with a kiss, immediately putting me right at ease. An excellent massage followed with her rubbing those fantastic breasts up and down.

On with the rubber for some mind-blowing oral action. Plenty of eye contact and a tongue that could complete a Rubik's cube.

For the main course it was doggy, cowgirl, reverse cowgirl and mish to finish. Nearly died.

Will be seeing her again for defo, and would recommend to anyone.

The best thing about v.h.
