The Premises:

All been said before - great place safe clean etc.

The Lady:

A blonde haired size 8 sex bomb, with the best pair of tits this side of Hollywood ? my god this is a sex bomb

The Story:

Having been in the same room last night (see report on Gemma) ? thought I might struggle a bit _ & did, struggle to contain myself.

Lucy stroked my cock with a lightness that gave the most amazing feeling ? her hands are a gift from above!!

If I thought that was good ? the OW was better than bloody good ? cow girl, playing with those incredible boobs ?how any man can contain himself, but I did for while, shooting a load up a very tight but wet pussy, in doggy.

This lady?s attitude is ?spot on?, a pleasure to do business with, and a real lady, who most certainly knows how to pleasure a man & leave him feeling satisfied with the whole experience.

Lucy is only a cover lady at the moment, so ring to see if she is on ? a double with Gemma & Lucy ? who will be the first for that _ me I hope!!
