### The Premises:

As previous reports state the area is clean & safe. plenty of free parking too.

### The Lady:

A large black girl. Difficult to age. I'd say mid 20s.

### The Story:

Today michael Jackson died so I thought I'd shag a black girl as a fitting gesture. Didn't quite work out like that though. Anita was larger than I expected so I stuck with the safe option of HR & massage. Very nice girl and showed me a good time. She alternated the HR with an oily tit wank which was great.

No rush either at one hour 15 minutes.
