Details of Service Provider:

Profile Name: Agency Touch Of Class

Website: <http://www.agencytouchofclasslondon.co.uk/>

Phone: 07796560773

The Premises:

Nice road, hard to find. Her flat had some nice rooms, less impressed by the small bedroom.

The Lady:

Fairly pretty, didn't look much her profile photos.

The Story:

Disaster. Her description on the website says "Open minded (fk, owo, bi, cples)?" In reality she wouldn't kiss, the oral was covered. Everything with her was perfunctory and she seemed to me to be lazy, bored & uninterested. How a bit of prostate massage? No. Reverse oral? No. After half an hour she asked if I wanted a shower. Not as much as I thought I deserved my money back. She asked if I would be coming back. WTF? Maybe Mara should give up escorting and try being a comedienne. After I left I called Kim at the agency who appeared to feel it was my fault as I hadn't asked for their recommendation. Therefore anyone considering using someone on ATOC's website should consider that whatever it says on their profile may not in fact bear any relation to reality. Avoid like the plague.

Service Provider's Rebuttal

The establishment writes:

Dear ConstantlyDisappoint

My name is Maya from Agency Touch of Class. I am responding to your review about the experience you've had with Mara, and subsequently with our receptionist Kim.

Kim is new on the phones and misunderstood certain procedures we have in case of a complaint. She did not realize that any complaints needed to be passed on to me. She was apologetic and upset to hear you had had a bad experience, but it was not in her power to give you compensation and I believe you did not ask for this. If you had, then of course she would have known to contact me. We do however, always compensate, where there is a genuine grievance, and we do aim to

resolve any issues and complaints clients may have.

Mara was new on our site, and she had not had any feedback to date when you booked. We are grateful for your feedback as this is the only way to know, whether a new girl is good or not.

We would like to apologize for the bad experience with Mara and we have removed her from our site. Please allow us to put this right, by telephoning 07796 560 773 at your earliest convenience, so that we can apologize to you directly and compensate you accordingly.

We hope to hear from you soon.

Kind regards

Maya
