### The Premises:

the address was around the corner from the main high street next to a tatto parlour reasonably quiet area

### The Lady:

isabella, stunning tanned spanish girl though she could be easily mistaken for a brazilan, about 5 ft 7 with big 34 dd tits and horny bum

### The Story:

arrived at that address about 18:30 rang the bell answered fairly quickly by friendly maid who took me to the room. Didnt have to wait long for isabella,my cock almost jumped out of my trousers when i saw her paid for straight sex with massage once money was out of the way she started to get undressed and i was getting horny over her big tits, started with a back massage which was realy good and very proffesional then on to my front which was good as well then i started playing and sucking those tits of hers thought i was heaven then she put condom on a give my cock good bj before she got on top and started riding me the sight of those tits bouncing up and down was a real turn on then onto doggie her arse is really horny as well and started grabbing those tits as i rammed from behind then i got on top and pumped her for all i was worth she was very vocal as well came soon after chatted for a little while she is very friendly and would highly recommend her will see her again soon and try and stay longer this time
