The Lady:

Heather was at reception. Typical, I thought, one of those places where there is a stunning receptionist who doesn't work. I was stunned when she said she and another girl were available and was so delighted I hope the other lady wan't put out! Well, I'm a dirty 50ish man who loves really petite young girls. Heather is a five foot something size 8, blonde and tanned and, I think, a stunning face.

The Story:

There had been a misunderstanding when I booked: I wanted a soap suds massage and she thought I wanted an hour. So I wasn't didn't have any money over. Anyway I wasn't sure what extras might be available but I've always wanted one of these massages and to have beautiful young girl's body sliding all over mine might do instead of sex for a change.

I lay on my front and she gave me an oily massage, which was OK but I couldn't look at her but as we were talking we realised the mistake about the time and she went out and brought back some of my money immediately. She had mentioned that there was a ?10 charge to touch her, so I paid that immediately and asked her to strip. Off came the smart and sexy masseuse tunic to reveal shocking pink lingerie, beautiful on a tanned blonde. Then that came off too, shaved and neat she was a proper treat (I'm a poet too).

The soap suds was wonderful. After that we still had a little time and I still had some money. I went through my pockets. What can I get for that? Well, I could give you oral or you could fuck me.

Wow, somehow I hadn't really believed that this gorgeous teenager (actually 20 something but looks younger) would really fuck any massage client, let alone a middle aged one. But that is a doubt which others have had at this establishment and been disappointed as a result. They are (required by stupid legislation) to be deliberately vague on the subject of extra services.

Well, fuck her I did. She was responsive and obliging. I just enjoyed the view: of her impossibly peachy bum in doggy and her small but absolutely beautiful breasts in cowgirl. I even had time for a bit of mish with her leaning back over the massage table so I could see myself sliding in and out of the most beautiful tight pussy.

We we finished she was sweetness itself as we cleaned up and she told me she loves this job. I can't be sure it is so, but she gives every indication.

I had an absolutely wonderful time. I looked up her reports and was amazed she has had only 3 and one of those was negative, one only OK and one positive.

She is one of the most gorgeous young girls I have had and was delightful. Of course you have to fancy her. So only see her if you like girls young and slim. Then there is the 'massage only' official pricing structure and the onus on you to ask for extras. They aren't going to be offered, so ask away, she can only say no!
