The Premises:

This was a dinner date outcall to my very nice hotel in Central London.

The Lady:

A beautiful woman with a beautiful body. She has grown her hair and it suits her longer. Lovely enhanced boobs. Brazilian down below with a nice landing strip.

The Story:

Inna arrived at my hotel room looking absolutely stunning in a very nice dress and high heels.

We had a glass of wine over a chat while we took care of the paperwork. Then it was off by cab to a nice seafood restaurant in Belgravia. Inna is very good company at dinner and extremely friendly and chatty (she has a very sexy deep voice). I believe Northwinds had it absolutely right in his FR earlier in the year when he suggested that Inna could be a 2012 Olympic champion if Finland can persuade the IOC to include chatting as an Olympic event.

After dinner we went to The Collection in Brompton Cross and enjoyed a post dinner cocktail at the bar and then retired to my hotel room.

Inna has a stunning body which she is very happy for you to explore at will. She is also very keen to ensure that you have a great time.

Lovely OWO and sex was very nice.

I had a great time and would definitely see Inna again.
