### The Premises:

Described in copious detail before. With it being 30 degs outside, the air-con units in the room were working to full effect today.

### The Lady:

Slim, trim and well up for it. A leggy, tanned beauty and best of all, she's British. The kind of girl that's gorgeous but doesn't show she knows it. There was a certain innocence about her that was incredibly enticing.

Catherine is a newbie, I think she said she'd been working for a month or so and the banter was the kind that you'd have in the pub with someone you just met. In fact, there was so much of it I couldn't beleive it when my time was almost up.

### The Story:

Oral is covered only but this stated up front so no issues.

She enjoys guys on top and likes to take it really deep. Her long legs were wrapped round me and I wasn't going anywhere. If you like skinny girls then you'll love Catherine- she has the flattest, toned stomach I think ever saw. Those ab muscles, when she's riding cowgirl are simply unreal.

Very good at putting people at their ease, very chatty and a genuinely a good laugh. A reall GFE as most of the Intimate girls are, a definite recommendation. Would caution though, that this girl could be very addictive!

Now that Jennifer & Rebecca's profiles seem to have been removed from the website, Catherine would be my top choice at this fantastic establishment (with Sara a close 2nd.... now that'd be a combo). Thanks guys, more of the same please!
