### The Premises:

Bunnies has been well described before. A converted building very close to Taunton railway station. A couple of bedrooms, rather small and airless with no windows, but a private shower in the room.

### The Lady:

22 years old, tall slim blond with a lovely figure, tanned, with well proportioned firm natural boobs and large responsive nips. A honey of a pussy. Gemma is chatty, bright and a model figure. Perfect package.

### The Story:

My first visit to a long established parlour. I was offered a choice of two girls, both very pretty, and chose Gemma. Good decision. She is one of the most attractive WGs I have ever been with. Full personal was on offer at ?50 with a choice of anal or reverse oral at ?20 extra. I opted for the oral and am glad I did. This girl has one of the best pussies I've ever got my mouth around; you're not getting the clinical details, go see for yourself. After a brief back massage, she slipped on the little friend and we went into an excellent 69, after which she climbed on top for reverse cowgirl. As this was a steamy hot summer day I let her take complete control and do all the work, which she did with lots of enthusiasm and all the right noises. I then asked her to turn around and face me so I could work on her nipples while she finished herself off on the old feller. A very rewarding punt. This one's special, treat her well fellers.
