The Story:

Summer arrived on time wearing black skirt and a red top which hugged her figure and showed of her beautiful breasts. I showed her into my living room and we instantly began to kiss passionately on my sofa before Summer suggested that we move upstairs. Once upstairs the kissing continued, with me sat down on the bed Marie stood up and began to strip of all of her clothes. Marie looked fantastic naked as her photos show. She crawled onto the bed and kneeled before me to perform a fantastic BJ. During this I was playing with Summer's pert nipples which stood erect. Summer turned onto her back and continued to suck me, as I told her I was about to come she politely asked me not to do so in her mouth so I withdrew and came all of her chest. Marie was all that I could have asked for and I look forward to having full sex with her next time around.
