The Lady:

Emily was considerably bigger than the photos on the website to the extent that she barely resembled them. To be honest, had the photos been recent I would not have booked her.

The Story:

Nice girl, keen, complimentary and with lovely big tits but at this size just not my type. I was horny so I stayed and was glad I did as I had a couple of good shags although I had to do all the work as Emily did not seem to have much energy. I notice that on the Busty Models site Emily has loads of great reviews, only the most recent of which makes mention that she has put on weight so perhaps she has only recently let herself go...

Please note that I am only not recommending Emily as her photos were so far off the mark
