The Premises:

Her flat is on a large estate, however the area felt safe and there is plenty of parking right outside. Her flat was clean and tidy.

The Lady:

Jody is a curvy (not fat), attractive blonde with long hair - I would say in her early 30s.

The Story:

This is the first time I've seen Jody and I had a great time - I've already arranged another visit next week!

We started off with mutual caressing which got me ready very quickly for OWO and then 69. It wasn't long before I filled her mouth - I hardly had a chance to warn her, but it wasn't a problem.

After a short chat I was ready again and started with more OWO - great eye contact and even deep throat. What a technique! Jody then rode me for a while and we finished with doggy - I was surprised how much I filled the condom.

Jody is very friendly and put me at ease from the start. I never felt rushed, which makes a change from the parlours I usually visit.

Great value for money.
