### The Story:

This was a special treat - I visited Ruby with my wife who has never done anything like this before. Ruby gave her a back massage to relax her and taught her some oral techniques which will improve or times together in the future. My wife has never been with a lady before. Ruby gently rubbed her pussy licked and sucked her and brought her to an unbelievable climax very quickly. They took it in turns to suck my cock which I thought was going to explode and then took it in turns to ride me until I exploded into my wife - wow - we will be back very soon.
