The Premises:

Exceptional venue described by many before me. Entrance both at front on main road or at rear in a secluded side street.

Very safe area.

The Lady:

Her on line description is accurate. Slim but busty with a great smile and very much a beauty. About 5 ft 5 inch with an enhanced bust. Was hard to tell it was enhanced and she suites the look. Not too big but enough to enjoy. She was close shaved and there was no stubble present.

All in all a real delight.

The Story:

Can not praise this young lady enough. Made me feel very much at home, great girl friend experience with lots of kissing and touching, and that was before I had taken any cloths off.

A real gem not to be missed. I had a great hour and I think she did as well. I will be back!
