The Premises:

A very discreet location with ample space for parking. The room and the bed were somewhat small as it's meant to be a massage parlour. This has it's limitations ;-) in terms of different positions you can try.

The Lady:

Medium sized breasts which are a pleasure to suck on. Her perfect bottom is an absolute stunner. Completely shaved pussy which looked so inviting that i had to go down on her.

The Story:

Being new to this i was a bit apprehensive, however Jade put me at ease immediately and after a bit of small talk we got down to business. A nice massage with talc and we were ready for action. Nice oral with cap on and then multiple positions. I ended the session with doggie which gave me a good view of that perfect bum again.
