Phone: 02083013215

The Premises:

entered via rear entrance so i could hear the phone call to the parlour, dirty alleyway full of pot holes & rubbish. its also the entrance for the other flats so its almost as public as the front. the VIP entrance is shared with another flat, so has all thier rubbish at the gate (not very inviting). the actual entrance is the last door. inside (via the kitchen?) i was led to the second room. identical to the other experienced from my last viset. the lobby from the street has been cleaned up considerably, so inside it is now a very pleasent place. i recommend this establishment, but i would in future enter from the high street.

The Lady:

carly is english (from kent) 5'9" with long black hair. late twenties early thirties. nice big bum, a bit of a tummy but not too serious & medium sized firm boobs. excellent company & very chatty. wore great undies, very sexy.

The Story:

started with a blow job, progressed to doggy & mish which were excellent, till i was exhausted. had a short carress from carly, then gave her a massage with baby powder. pleasent chat throughout made me feel very welcome.
