The Premises:

Nice place oft reported on before so really no need to elaborate

The Lady:

Tallish very pretty 22 y/o Hungarian. Long dark hair. Curvy but not plump. Lovely engaging personality with good English.

It was her smile that won it when she was introduced as one of three.

The Story:

She provides a wide range of services as noted on the website.

She did a quick back rub as the bath water filled. Quick dip then onto the main event. Great OWO, really deep, good eye contact. Then a bit of cowgirl, light French kissing, a spate of vigorous doggy again with eye contact via the mirror at the head of the bed. God she knows what turns men on!

I agreed extra ?20 for CIM but couldn't quite manage it. Not for the lack of trying on her part mind. So finished energetically back in doggy.

Closed with a pleasant chat where I found her to be quite captivating and wise beyond her years.

BTW she didn't wish to accept the extras but I insisted as I felt she deserved it.

If I find myself in Bedford again this is the place for me and, were she to be working, I would definitely ask for Monika again.
