The Story:

Penny seemed quiet & reserved in the lounge but boy did that change in the room. started off with a nice massage on my back which soon lead to her kissing my neck. I was very turned on but do enjoy some fondling etc but I must say that was all that was missing. On turning over things moved apace with OWO & oral on her which she really enjoyed. Enjoyed everything with this young lady who appeared to enjoy herself as much as I did. Thank you Penny.
